Itinerary Catamaran with wine-tasting & oia sunset

At the appointed time, our staff will pick you up to transfer you to the port to start a peaceful and unforgettable **sailing through the incredible caldera of the island of Santorini**, "the pearl of the Aegean".

Your first stop will be in the volcanic islands of **Nea** and **Palea Kameni**, located in the center of the caldera. There you will dive into the thermal waters that flow in the sea contrasting red, blue, and brown colors that can surprise even the most experienced traveler.

You will sail by the **Red and White beaches** and then head towards the **islet of Aspronisi** and the **old lighthouse of Santorini**. This is the perfect moment to enjoy the deep blue of the Aegean as well as an extraordinary view of Fira, the capital of the island, from the open sea.

On returning to the red and white beaches, you will have time to swim, snorkel or enjoy the sun on the spacious deck of your sailboat. Before the end of your cruise, **you will be served a grilled meal of Greek delicacies**. Arriving at the port, your guide will meet you to start the second part of the tour, which is a shore excursion.

Your first stop will be at the **Koutsoyannopoulos Wine Museum**, eight meters below ground and 300 meters long, where you will have the opportunity to learn about the past and the wine-making process, see what life was like for vine-growers, dating back to the 1600s, and of course, try four of the best wines and savor each flavor in this extraordinary winery-museum.

Right next to this museum, there is also the Winery **Estate Argyros**, one of the largest and most contemporary estates on Santorini with a long family tradition in winemaking.

This is the perfect combination so that you can see for yourself how the volcanic soil, the extreme microclimate, the grape variety, and the passion of the winemakers capture the best of what the land of Santorini has to offer. On the bus once again and this time you will move to the northernmost part of the island, the famous village of **Oia**. Walking through its narrow alleys, you will end up at the cozy **Sun Spirit Bar**, to half a glass of wine and marvel at the beautiful setting sun.

Right after sunset, you will be transferred back to the initial pick-up point.

Greca Tip: During your visit, you can buy a bottle of the indigenous varieties of Santorini, such as Assyrtiko, Aidani, and Mavrotragano.
