## Itinerary Capri from naples

Blue skies and turquoise waters, breathtaking views, and haute couture shops enliven this piece of paradise which is the **Isle of Capri**. This tour will take you to this oasis for artists, writers, and celebrities.

The excursion starts from Naples and includes the ferry to get to the island. With this tour, you will discover the **city of Anacapri**, which is located at a higher elevation than Capri. During your free time, you will stroll along the Anacapri road and take the opportunity to visit Villa San Michele or enjoy an impressive experience on the funicular that takes thousands of tourists to the top of **Monte Solaro**.

You will stop at a local restaurant and try a delicious light Italian lunch. After lunch you will arrive in the main city of Capri and visit the unforgettable "piazzetta" the main square of Capri also called "the little theater of the world", where a few meters from each other sit princesses of the Northern Kingdoms, actors Italians, American billionaires and ordinary people.

From this small square, you will walk through the narrow streets of Capri, famous for Italian fashion brands and local artisan shops. The **gardens of Augustus** are not far away and the view of Faraglioni and the winding road of Via Krupp with its extraordinary forms will be dazzling.

Capri is at the same time a wonderful naturalistic experience and one of the most fashionable places in Italy. Our guide will save you some free time to allow you to relax, go shopping, or take a boat trip around the island and see, for example, the famous **Blue Grotto**.

After free time, you will board the ferry back to Naples.

**Greca Tip:** If the weather conditions allow it, do not hesitate to get on a small boat and visit the Blue Grotto, it is an experience that you will not forget!
