## Itinerary Turtle tales in zakynthos

Embark on a thrilling adventure to witness the beauty of the Caretta-caretta turtles in their natural habitat! Starting from **Zakynthos** port, we will set sail on a cruise through **Zakynthos' National Marine Park**. The tour is designed to be eco-friendly and respects the need to preserve these majestic creatures.

During the cruise, you will have the opportunity to take in a presentation about the Caretta-caretta turtles while enjoying the breathtaking scenery. You'll also have the chance to capture some stunning snapshots of these magnificent creatures up close, without disturbing them.

After observing the turtles, the boat takes you to secluded, picturesque beaches like **Turtle Island (Marathonisi)** and **Keri Caves**. You can relax, swim, and snorkel in turquoise waters while enjoying the scenery and learning about the area's history from your guide.

This tour will offer you an unforgettable day out that combines education, adventure, and relaxation, making it the perfect way to explore the beauty of Zakynthos and its natural treasures!

**Greca Tip:** Did you know that **ARCHELON**, the association in Zakynthos that protects sea turtles (caretta-caretta), was the first of its kind in Greece? Since its founding in 1983, it has become one of the most successful turtle conservation organizations in the Mediterranean!
