## Itinerary Quintessential catania

At the appointed time, we will meet our guide to explore the historical centre of **Catania**. He will give us information and share interesting notions about the city's history. We will see all the most important monuments of Catania, as well as some of the most beautiful squares in Italy, such as **piazza Stesicoro**, with the ruins of a **Roman amphitheatre**, and **piazza Vincenzo Bellini**.

We will walk along picturesque streets and boulevards such as **via dei Crociferi**, famous for its churches, **via Etnea** (Catania's main artery, connecting the beautiful **piazza del Duomo** with **Tondo Gioeni**) and **via Antonino di San Giuliano**. Last but not least, we will have the opportunity to get a taste of local life at the **fish market**, the busiest and oldest market in Sicily.

**Tip Greca:** The city of **Catania** was founded in the 8th century B.C. by Greek settlers from Chalcis, on the island of Euboea. The date of its foundation can be put at around 729 BC.

## What other travelers say about us

### Excellent Personal Service

I went on a tour of Delphi and Meteora with GRECA VIAJES and my experience was exceptional. The tour took place according to plan, very punctual, our guide Maria was in charge of making the trip very pleasant with her stories and anecdotes about Greece and especially all the information she gave us about the sites themselves, highly recommended.
